

"The Way" to San Jose Grand Prix

July 27-29, 2007

For the third year in a row, world class open-wheel racing returns to the streets of Downtown San Jose with one of California's largest and most anticipated sporting events. The San Jose Grand Prix at Redback Raceway is a week-long festival both on and off the track. Activity areas include Pit Stop Park, Straightaway Alley and SpeedFest with interactive games and exhibits, live

music, driver autograph sessions and the Miss San Jose Grand Prix pageant.
